SUPPLYING CLASSROOMS IN NEED

Let's Get Ready for the 2025–2026 School Year – Together!

At the Clay Education Foundation, we're kicking off our annual Supply Drive Season, and it's a powerful reminder that not all students start the school year on equal footing. While some get to show up with brand-new backpacks and fresh supplies, others are missing even the basics they need to succeed.

That's where you come in.

From **June 1st to September 1st**, we're teaming up with the community to make sure every student is ready to learn. With many families still facing tough financial times, your support means more than ever.

Here's how you can help:

- **Host a Supply Drive:** Get your business or organization involved by collecting school supplies. It's a simple but meaningful way to support local students who really need it. Ready to host? Let us know by emailing hobermiller@clayededucationfoundation.org
- **Join Our Virtual Drive:** Check out our [Amazon Wish List](#) and pick out items that will be sent straight to a classroom in need.

Every single donation makes a difference. You're helping kids start the year with confidence and the tools they need to thrive.

Have questions or want to learn more about how you can help? Reach out to me anytime hobermiller@clayededucationfoundation.org.

Let's make sure every student gets a strong start—and a full backpack.

Thank you!

Stock the Shelves!

June 1 - September 1

The Tools 4 Clay Schools program collects, stores, and distributes school supplies and classroom materials to help alleviate this burden from teachers and low-income parents. The store offers teachers an opportunity to "shop" for classroom supplies and materials at no cost to them. You can help by either making a monetary or supply donation. Your support helps us empower teachers to teach and learners to learn.
